Subject: Proposed 2019 Budget - Presentations from Community Groups

EXECUTIVE SUMMARY

The McConnell Arts Center and Worthington Historical Society will present their requests for funding.

BACKGROUND/DESCRIPTION

The City has received grant applications from the McConnell Arts Center and Worthington Historical Society, which are attached. The proposed 2019 Operating Budget includes funding for the McConnell Arts Center (MAC) in the amount of \$220,000 for an operating grant and \$5,000 for community arts programming. The grant application from the MAC requests the same amount as was allocated in 2018 and is consistent with the proposed budget.

The Worthington Historical Society has submitted a grant application for \$32,500, which is an increase over their 2018 grant amount of \$27,500. As with the Partnership, the Historical Society is funded through the Special Groups portion of the budget. In addition to the Old Worthington Partnership and the Worthington Historical Society, the Special Groups allocation in the budget is used for the community groups funded by the City through the smaller grant program that is typically run after the first of the year. If City Council decides to grant the requested increase to the Historical Society, the Special Groups allocation in the proposed budget would need to be increased, or the Special Groups allocation could stay consistent with the proposed budget and the amount of funds available for the other grants would be less in 2019.

Funding for the Old Worthington Partnership and the Convention and Visitors Bureau will be discussed at the City Council meeting on November 19th.

FINANCIAL IMPLICATIONS/FUNDING SOURCES (if applicable)

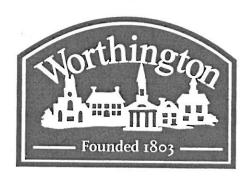

The organizations have requested the following amounts for 2019:

GENERAL INFORMATION

In the space provided below, please provide the mission statement for your organization and a description of its goals.

The Peggy R. McConnell Arts Center of Worthington mission is to change lives and make memories through creative arts experiences.

The vision of the Peggy R. McConnell Worthington Center for the Arts brings people together through experiences that spark learning and explore creative conversations.

The goals of the McConnell Arts Center (MAC) are guided by a strategic plan that spans a three-year period through FY 2019. Both goals and objectives are established to support the mission and vision, with actionable areas to:

- **Connect people** throughout Worthington and Central Ohio in ways that bring them to the Center and benefits for them. The objective is to continually increase awareness and engagement of both current and new audiences in programming at the MAC.
- Focus, refine and strategically expand current program offerings to **increase engagement** and support for the MAC. The objective is to offer a range of programming that reflects the expressed needs of the community.
- Ensure the **long-term financial stability** of the MAC with the objective to *remain financially solvent* and effectively provide programming.

All of the above goals are continually measurable through attendance and engagement levels of audiences and attendees, program evaluation of current and past offerings and the overall cultural economic impact of the MAC as part of the Worthington community. They will be talked about below.

PURPOSE OF GRANT

Describe specifically how you propose to use the grant funds. Please attach a budgetary breakdown for the use of the grant funds.

The 2019 grant funds will be used to renew critical operating support within key operational areas of the center. Operating funding is the core element, creating successful programming at the McConnell Arts Center. The MAC proposes to utilize the funds to include:

- An allocated portion of facility and operational staff. Staffing is crucial to the successful operations and programming of the Center, operating 310 days per year, with peak operational times in the evenings, during holiday breaks and weekends. Contractual teaching positions are the backbone of the recognized quality educational programs at the Center.
- A portion of annual accounting and financial review services.
- Allocated facilities repair and maintenance, non-capital items, copier lease, small equipment acquisition.

5.A.I. - Proposed 2019 Budget - Presentations from Community Groups

- Portion of utilities and services, including gas, electricity, phone, water and liability insurance.
- An allocated portion of educational and maintenance supplies.
- Minimal program marketing and public relations costs.
- A piece of the costs associated with proposal and grant development, membership, individual and corporate support.
- A portion of our free educational /outreach expenses, including summer programming, art center visits.
- Production costs associated with the visual arts programs, which include documentation, promotion and marketing, educational panel and signage, artist talks, lectures and awards.

Proposed breakdown of funding request, Attachment A.

FINANCIAL INFORMATION

Provide a detailed budget of revenues and expenses showing the current year adopted budget and projecting/forecasting revenues and expenses for four (4) additional years. Please provide a sufficient breakdown of revenues and expenses to clearly demonstrate how the City's funding fits within the revenue picture. Is the City's funding necessary for the program/project? Will it be used to leverage funding from other sources?

The City of Worthington's funding is essential for requesting new and additional funding of key partners who recognize the City's investment in the arts, including: The Ohio Arts Council, The Columbus Foundation, The Greater Columbus Arts Council, Worthington Industries, Fahlgren Mortine, Safelite, PNC, FC Bank, Huntington, Ohio Health and the many individuals who work and live in with the community. The City of Worthington's funding is reported on many applications and data requests at both the national and local levels. For example, by showing the City's investment, the MAC was able to leverage a new \$25K grant from PNC focused on building new audiences.

A detailed budget of revenues/expenses for the current and forecasted years. Attachment B.

PROGRAMMING

In the space provided below, please list and describe your programs or proposed programs. Also (on additional pages as necessary), please list organizations with which you will partner to provide programming.

The McConnell Arts Center is looking forward to the *10th year of operation* and celebration of a home for the arts in Worthington. Programs and goals as outlined in the plan center around the following areas:

Visual Arts:

Professionally curated and installed exhibitions are scheduled every six – eight weeks throughout the year. The MAC is a non-collecting institution. Exhibitions are selected based on strong educational components, connection with other events at the MAC or for their appropriateness with community activities. Galleries remain free of charge and accessible during open business hours and offer the ability for schools to visit, explore and learn. The corridor galleries throughout the MAC also offer a new experience to visitors every few weeks. The MAC continues to promote the opportunity for visual artists to be represented in other local institutions and galleries.

Some highlighted exhibitions during 2019 include: Worthington Art Teachers Create, Ruth Ann Mitchell, Marty Husted and Jeanie Auseon, Horizon Prison Initiative, Ohio Governor's Region 1 exhibit, Art Quilt Alliance, Yani Sheng, Elaine Balsley, Central Ohio Clay Arts, The Worthington Women's Club Art Study Group.

Performing/Literary/Cinematic Arts:

The goal of the performing/literary and cinematic arts is to create at least one major experience per month, with additional opportunities throughout the year. Some performances will have multiple day runs; most will be "one night" only. We will continue the regular, free open jam sessions on Tuesday evenings. The MAC has its own professional Chamber Orchestra of more than 30 musicians, along with a co-produced holiday theatre performance in collaboration with the Worthington Community Theatre.

The MAC continues to search out opportunities for collaboration with other performing and community groups, relevant to the mission of the MAC. Tickets for events remain very affordable and accessible.

Some highlighted performers, film and literary figures: The McConnell Arts Chamber Orchestra (3 programs), Tony Hagood Jazz Trio, The Mad, Mad Men, Exhibition on Screen Series (virtual exhibition of museum and music), Hixon Dance, Americana Series, Young Balletmet, the Columbus Symphony Orchestra Winds, Ucelli. The MAC was recognized with an audience development grant from PNC to produce a "Light Owl" series in 2019, which will focus on music programming for a significantly younger demographic

Educational:

The McConnell Arts Center will continue to provide class-based, paid educational opportunities, as well as outreach and free or reduced-rate opportunities for schools and community groups. The MAC has discovered a significant educational and outreach opportunity to share and experience the creative process through the many planned visual and performing arts programs. There is a progression of classes taught, encouraging beginners alongside the more experienced artists. All contract instructors have college degrees and have the ability to teach at various levels. Scholarships are available to those with an expressed financial need or based on talent. Enrollment capacity has increased over the past 12 months.

Tuition based educational programming:

Classes register every six weeks, with special workshops and open studio periods during school breaks and holiday periods. An extended, summer intensive experience is planned for all ages. There are close to 200 offerings planned for the 2018-2019 fiscal year, with average enrollment of 10 students per class. Total projected enrollment is more than 2,000 students of all ages in a variety of activities.

<u>Free or reduced-fee school programs:</u> Scholarship opportunities exist for classes, summer intensive, or workshops for those indicating financial need. During the previous fiscal year, the MAC continued to increase incrementally, funding for high school students to participate in classes and internship opportunities during the summer months.

The Worthington Resource Pantry recipients this past year were provided with a free artistic hands-on exploration by the MAC, during their on-site, summer meal programs.

The McConnell Arts Orchestra continues to strive to perform for school-aged students, along with inviting those students to attend formal performances at the MAC. A significant number of Worthington grade school students tour the MAC regularly free of charged, to interact with exhibiting artists and artistic professionals in the space.

Partnerships:

The MAC will continue formal financial and programmatic partnerships in 2019 with:

BalletMet – Dance curriculum provider. Tuition fees are allocated between BalletMet and the MAC. **Sarah Hixon Dance** - Dance class provider for modern and jazz. Resident modern dance company. **Songs at the Center** – Nationally televised show hosted by Worthington resident, Eric Gnezda.

Ohio Fingerstyle Guitar Club – Heavily involved in the Café MAC experience and provide jam sessions on the weekend.

Columbus Children's Theatre – Collaboration for co-workshops and theatre classes for kids throughout the year, along with acting and film production for kids during the summer.

The Worthington Area Art League – Special art focus groups meet at the MAC (Plein Air, photography, portrait) along with provide artists in the group both exhibition and outreach opportunities.

The Worthington Schools - Kindergarten is located in the lower level of the MAC. They also provide lawn and grounds maintenance. Students and faculty are incorporated into regular programming throughout the year.

Worthington Libraries – Co-produces the Hear and Now series, nationally recognized authors presented by the Friends of the Library.

Nashville Songwriters Association- Host their regional meetings at the MAC.

Central Ohio Songwriters – Meet in our facility monthly, provide stage talent as needed.

Worthington Community Theatre – A co-produced holiday production.

Arts Alliances:

Ohio Arts Council, The Greater Columbus Arts Council, Ohio Arts Presenters Network are all advocates and actively promote the Center on calendars, schedules and communication.

The Worthington Community Theatre - Calls the MAC their home. The MAC provides free meeting space and accepts postal deliveries on their behalf.

Central Ohio Plein Air – Paints at the MAC in the winter time.

Worthington Community Center - Provide the opportunities to share information about upcoming programs and opportunities. A sculpture was installed in late 2012 from funds garnered from Chase200 Bicentenial.

The MAC Songwriters Group meets at the MAC the first Tuesday of every month, and the MAC Youth Songwriters Group meets at the MAC on the third Sunday of the month.

The Worthington Women's Club Art Study Group – meets at the MAC monthly to share artistic programming.

The region 1 **Ohio Arts Governors Awards** are hosted by the MAC, with more than 200 central ohio art students participating.

The **Worthington Schools** are invited to participate in a variety of activities, including exhibition tours and educational events.

PUBLIC BENEFIT

Please outline (use data if available) the public exposure, participation, and public benefit being derived from the organization's programs and activities. Please include a description of the impact of the City's funds on this exposure, participation and benefit. What would be the impact to the organization if it did not receive funding from the City?

<u>Public exposure, participation and benefit:</u> More than 87,000 people experienced the MAC during the past year in all areas of programming, both free and ticketed - up approx.3,000 over the year before. There has a been an increase in participants from Worthington taking part in programming. More than 59% of those visitors

5.A.I. - Proposed 2019 Budget - Presentations from Community Groups

are from outside of the Worthington school district, bringing 51,300 visitors into our community to experience and attend arts and cultural activities.

The Worthington City funding for the organization continues to provide important dollars in support of continued growth in programming and services for the organization (as noted in the budget section). The percentage of support to overall budget continues to decrease, and the Worthington community involvement continues to increase.

The arts and cultural spending on behalf of the City of Worthington Grant, equates to a value of \$2.50 per visitor per year. According to the American's for the Arts Economic Generator, those dollars invested in programming, leverage an additional \$1.4 million in spending of those patrons within our community.

The third year of the Worthington Arts Festival brought an increased audience to experience Worthington in all aspects – the downtown corridor, walking and bike trails, the Shops at Worthington Place, other surrounding vendors and the only hotel in Worthington. The festival is a continued opportunity to connect audiences with artists, experience the McConnell Arts Center and the community that supports us. Almost 10,000 was distributed from the proceeds of the 2018 Arts Festival to the Worthington Partnership.

<u>Impact of Worthington City's funds:</u> The financial impact is great. As mentioned above, the \$220,000 grant translates to just over \$1.4 million in additional spending by the patrons of the Art Center, here in our own community.

The impact of the City of Worthington funding affects more than the support provided for general operations. If funding is not received from the City of Worthington, there would also be a significant loss in funding from the Ohio Arts Council, a cut in educational programming and facility usage by more than 40% and a significant reduction in attendance. There would be a loss in additional residual community spending by close to \$850,000.

The McConnell Arts Center offers a sense of community pride and competitive, cultural programming in attracting residents and activities in like suburban communities in the Greater Columbus area. The ownership of the Center is evidenced in the continued increase in Worthington area attendance and though positive and encouraging responses from the diverse programming that is offered.

Surrounding communities continue to ask the McConnell Arts Center for guidance and input in the formation of similar cultural projects in competing suburban communities including, Grove City, Westerville, Granville and Dublin.

Vibrant communities draw "smart" people, and arts and culture are an important factor in the equation of where people choose to spend their lives.

#### **GENERAL INFORMATION**

### In the space provided below, please provide the mission statement for your organization and a description of its goals.

The Worthington Historical Society (WHS) is dedicated to creating experiences that inspire and promote public interest in Worthington's history. To maintain Worthington's legacy for future generations, the Society will preserve and interpret its properties and collections and provide educational opportunities to the community.

The Society maintains three properties: the Orange Johnson House, the Old Rectory (which houses the Doll Museum, administrative offices, Shop, and collections storage) and the Jeffers Mound. The Society also collects and maintains items directly related to the history of the Worthington area.

The organization's primary purpose is to provide a repository for the community's collective history and materials; objects, photographs, archives and first person accounts passed down through many mediums that allow the preservation of a multi-dimensional picture of the city's history. The collections as a whole are preserved for the benefit of the community. As the History Relevance Campaign states, "History lays the groundwork for strong, resilient communities. No place really becomes a community until it is wrapped in human memory: family stories, tribal traditions, civic commemorations. No place is a community until it has awareness of its history. Our connections and commitment to one another are strengthened when we share stories and experiences." Worthington maintains a unique character because of its thoughtful and purposeful regard for its past. The Society aims to continue its role in keeping the past alive throughout the community.

### Current goals include:

- Continued maintenance of three historic sites in Worthington; the Orange Johnson House, the Old Rectory and the Jeffers Mound.
  - The Doll Museum and Shop at the Old Rectory are open five days a week and by appointment
  - The Orange Johnson House is open for tours Sundays, April December, as well for group tours by appointment throughout the year.
- Continuation of established events and educational programming including Pioneer Days,
  Historic Walking Tours, tours at the Orange Johnson House, Historic Bus Tours, Ghost
  Tours, the Worthington Tour of Homes & Gardens, and biannual history talks at the
  Griswold Center
- Digitization of materials from the Society's archives to be made accessible to the public through the Worthington Libraries' website *Worthington Memory*
- Continued creation of new programming and efforts to increase visibility of the Orange Johnson House and the Doll Museum thus growing the number of visitors to the museums.
- Creation of programming highlighting Worthington's veterans in 2019
- Continued photographic inventory and cataloguing of the Society's historic clothing collection
- Engagement of new volunteers to continue the growth of the Society's offerings and enhance those already in place.
- Attract new members who support the Society's goals to preserve Worthington's history.

- Creation of joint local history programming in partnership with the Worthington Libraries for 2019, including renewing an initiative to actively collect community oral histories.
- Continued fundraising for the Orange Johnson House Bicentennial Project, with the intention of replacing the brick walls on the north and west perimeters for the Orange Johnson House property. As the Federal wing of the home will celebrate its bicentennial in 2019, the Society hopes to finish these projects and host activities through the year.

#### **PURPOSE OF GRANT**

### Describe specifically how you propose to use the grant funds. Please attach a budgetary breakdown for the use of the grant funds.

As in previous years, the Worthington Historical Society will use grant funds to cover a percentage of several budget areas. This includes portions of administrative expenses such as insurance, staff salaries, and publicity.

As of September 2018, the Society Director is being engaged to work thirty hours per week, an increase of 10 hours per week, which will increase productivity and create new opportunity for growing community engagement. Staff provides support to the important education and collections work being done by committed and passionate volunteers. Attracting an audience for the programming offered is a vital part of the Society's success. Staff is also able to devote time to grant writing and fundraising, which provides financial support for preservation projects undertaken by the WHS.

Additionally, funds will be used to support expenses for our educational programming. The Society's educational programs have relatively few expenses, and many supplies are donated to the Society by volunteers.

Finally, funds will also help support undertakings in the Society's collections area. The WHS provides the community, and in turn the City of Worthington, a repository where the physical pieces of Worthington history are able to reside in perpetuity. Continued proper storage and maintenance of these artifacts and archives is essential for future patrons to be able to enjoy and learn from each item for years to come.

The attached budget provides in detail how City funds will be used in the 2018-2019 fiscal year budget.

#### FINANCIAL INFORMATION

Provide a detailed budget of revenues and expenses showing the current year adopted budget and projecting/forecasting revenues and expenses for four (4) additional years. Please provide a sufficient breakdown of revenues and expenses to clearly demonstrate how the City's funding fits within the revenue picture. Is the City's funding necessary for the program/project? Will it be used to leverage funding from other sources?

City funding is a crucial part of the Worthington Historical Society budget that enables the organization to operate at its present level. Staff funding, as well as support for educational programs, is provided in part with the community grant from the City of Worthington. Without this funding, cuts to staff would be necessary, resulting in decreased capacity to interact with membership, the Worthington community, visitors and researchers. The Society provides tours of our sites, holds events, assists with research

requests, and provides access to our collections for research. The Society continues to schedule ambitious calendars of events, paired with the continuation of preservation work at our sites and with collections. The organization of volunteers and the publicity of the accomplishments and events being provided by the dedicated volunteer corps requires consistent attention that can only be provided through dedicated staff.

City funds also provide support for educational endeavors such as Children's Christmas, Christmas Open Houses, Pioneer Days, and speakers for educational programming at biannual meetings.

Other imperative expenses to the Society include the following:

- Cost of maintaining three historic Worthington sites
- Cost of insuring the collections & properties, as well as liability insurance
- Fees for continuing education of volunteers and staff who serve in museum collection management positions requiring special skill sets
- Cost of maintaining objects and archives donated to the Society by members of the community

These substantial expenses, particularly the day-to-day operating costs and continued maintenance associated with the three historic sites, use a great deal of funding raised by the Society through paid memberships, fundraisers and event proceeds. Restoration work is also funded through these methods, and is paired with fundraising campaigns. These projects are carefully considered and deferred until the Society is able to raise sufficient funds for each individual project.

### **PROGRAMMING**

In the space provided below, please list and describe your programs or proposed programs. Also (on additional pages as necessary), please list organizations with which you will partner to provide programming.

- Pioneer Days in collaboration with the Worthington City Schools (May), and St. John's Episcopal Church
  - This program provides the Worthington City School district's eleven 3rd grades, as well as the 3rd grades from St. Michael and Worthington Christian School, with the Pioneer Day program to complement the local history unit at no cost to participants. Students receive an in-school orientation visit from a Historical Society volunteer prior to their field trip. WHS volunteers provide a guided tour of the Orange Johnson House, assist and guide 3rd graders to do grave rubbings at St. John's Cemetery and play pioneer games with students on the Village Green. This program reached 1141 students, teachers and parent volunteers in 2018.
- Varied schedule of Historical Walking Tours & Bus Tours each year in collaboration with Worthington Parks & Recreation/The Griswold Center, Walnut Grove Cemetery and Community Senior Centers/Residences
  - o In 2018, in partnership with the **Griswold Center/Worthington Parks & Recreation**, the WHS again offered three different bus tour itineraries, each focusing on a unique aspect of Worthington history.

- Partnership with the **Worthington Chapter of the Daughters of the American Revolution**, who provided volunteers for the decorating of the Orange Johnson House for Christmas in 2017 and 2018. The WHS had a presence at the DAR's "Wreaths Across America" project in December 2017, and will do so again in 2018.
- **Ghost Tours,** with support from the **Worthington Inn**, which serve as a fundraiser with Worthington history being presented in a format with broad-based appeal, open to up to 150 participants in 2018. The 2018 tour was held in the **Walnut Grove Cemetery**, thanks to the generosity of the cemetery for its use. The Historical Society also provides speakers for the Inn's Candlelit Ghost Dinners in reciprocity for their generous support.
- Fundraising events offered in 2018 included the **Antique Sale** on the Village Green in collaboration with **the Worthington Chamber of Commerce's Market Day**.
- Children's Christmas, an immersive experience for children in grades 3 5 to "live" in Pioneer times for an evening during the holiday season; serves approximately 45 children each year.
- Christmas Open Houses at the Orange Johnson House, on three Sundays each December, which offer the community a chance to visit the museum at no cost. Since 2015, in lieu of admission, visitors donated non-perishable food items to benefit the Worthington Resource Pantry.
- Partnership with the **Worthington Libraries** to add further content from the Worthington Historical Society collections to "**Worthington Memory**". Provision of rotating exhibits in the **Old Worthington Library's** "Worthington Room".
- Partnership with local doll club, "Galatia" who provide exhibition support and expertise in relation to the Doll Museum collections.
- The Society provides two talks each year at the Annual & General Meetings, which are free and open to the public. Presentations highlight various aspects of Worthington history. In 2018, the spring meeting, presented by Dr. Jarrod Burks, highlighted Ohio's Ancient Earthworks, including the Worthington Historical Society's own "Jeffers Mound" and the fall meeting will present a "virtual walking tour" of lost architecture in Worthington with Steffanie Haueisen and Kate LaLonde.
- In 2018, phase one of the Orange Johnson House Bicentennial project was completed as the front entry way was restored to its original design while also repairing structural issues.
- Provided talks and tours on various subjects, both on and off-site for at numerous events
  throughout the year including the City of Worthington's Citizen's Academy, the New Friends
  of Greater Columbus, the Brookside Christian Women's Club, and Worthington Hills
  Women's Club.
- Hosted an **Ohio State University History Department** Internship for the Winter 2018 semester
- Created content over the summer of 2018 shared through social media highlighting sites around Worthington and changes over time, using photographic and archival records from the Society's collection as well as The Worthington News. This content was shared by the City of Worthington, which increased the Society's reach through social media dramatically and created awareness both about the history of Worthington and the Society's holdings.

### **PUBLIC BENEFIT**

Please outline (use data if available) the public exposure, participation, and public benefit being derived from the organization's programs and activities. Please include a description of the impact of the City's funds on this exposure, participation and benefit. What would be the impact to the organization if it did not receive funding from the City?

The Worthington Historical Society provides the citizens of Worthington and people from the Columbus area, as well as tourists and researchers from across the country, access to the history of the place, the

people, and the culture of Worthington from the time of its establishment by the Scioto Company in 1803 forward.

Programming reaches a broad and varied audience: elementary school students at Pioneer Days, millennials and young professionals at events such as the Ghost Tour, families at events at the Orange Johnson House, seniors with events in partnership with the Griswold Center such as Historic Bus tours, to name a few.

The Society opens the Orange Johnson House to the public on a weekly basis, and also sponsors special events at the site. Volunteers interpret early Worthington history and create engaging experiences that help connect audiences to our past. In 2017, the Orange Johnson House had 1730 visitor who were primarily non-members. This early Worthington site appeals to audiences well beyond our membership. While members support the preservation of the museum financially, it is the community at large that benefits from its operation. The Orange Johnson House serves as a unique tourist destination in Worthington that welcomes visitors from the greater Central Ohio area and farther afield.

The Doll Museum at the Old Rectory also draws visitors from both the local community and beyond. Continued airing of the 2014 episode of WOSU's "Broad & High" featuring the Doll Museum, both in Columbus and other widespread markets, has increased the number of visitors over past years. Visitors from surrounding states have made the museum a stop on their travels, as the doll collection is unique in its breadth and quality. In 2017 the Old Rectory had around 1150 recorded visitors to the Shop and Doll Museum. The shoppers who make purchases from the Society's donated and consigned collectibles support the Society through sales proceeds.

Each year, the Society also fields many research requests that are handled by our collections and archives department. In 2017 and to date in 2018, Society volunteers and staff have responded to over 50 research requests annually, provide an average of 75 hours of active assistance each year to patrons for research projects. Whether an individual is researching a relative from afar, a business is looking for photos of their buildings, or residents of Worthington are looking to learn more about their properties, the Society is able to share the historic collections and research. By being an accessible repository for Worthington's history, including first person accounts, photographs, records and archives of the community, the organization can continue to serve future researchers and offer Worthingtonians a way to connect to their past.

Each December, the Society opens the Orange Johnson House to the community on three Sundays without an admission fee. The open houses offer accessibility to the museum, as the event is free of charge, and also provide a way for visitors to experience the house outside the confines of a traditional tour. Music programming, refreshments and a walk-through tour of the seasonally decorated Orange Johnson House make this a favorite holiday tradition for visitors.

Volunteer participation drives our ability to produce events and maintain our properties. This is crucial to our success and cannot be overlooked. A dedicated corps of volunteers who believe in our mission and share a deep-rooted passion for Worthington make each Society success possible. It has been said, "Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in." Over 200 volunteers donate thousands of hours annually, allowing the Society to keep our museums open, host events on and off-site and share our collections with the community through exhibits, programs, and at our research library.

City funding allows the Society to maintain staff that can support the impressive work, programming and knowledge our volunteers offer. By coordinating publicity in print media, maintaining the Society's website, and running a variety of social media platforms, staff is able to communicate to audiences, both in the immediate area and around the world, about the Society's preservation accomplishments, educational programming, collections and fundraising events. All of these components are crucial to

finding audiences interested in engaging with our offerings, and also connecting with those patrons who offer financial support necessary to continue operation.

With staff coordinating day-to-day office functions, fielding inquiries for tours and research, organizing volunteer efforts, and maintaining membership, the Society is able to sustain continuity in operations. Staff is able to provide the support necessary to allow our volunteers to use their strengths in sharing and preserving Worthington's history. Without City funding, staff cuts would necessitate that volunteers spend more time on organization and less time providing the educational programming and preservation efforts that are a vital part of the Worthington Historical Society's mission.

FORM 2954
431-FNT

AUG 22 1962

The Worthington Historical Society, Inc., 137 East Granville Road Worthington, Ohio

Gentlemen:

PURPOSE	
Educational & Charitable	Le
FORM 990A REQUIRED YES NO	
ACCOUNTING PERIOD END- ING June 30	

Based upon the evidence submitted, it is held that you are exempt from Federal income tax as an organization described in section 501(c)(3) of the Internal Revenue Code, as it is shown that you are organized and operated exclusively for the purpose shown above. Any questions concerning taxes levied under other subtitles of the Code should be submitted to us.

You are not required to file Federal income tax returns so long as you retain an exempt status, unless you are subject to the tax on unrelated business income imposed by section 511 of the Code and are required to file Form 990-T for the purpose of reporting unrelated business taxable income. Any changes in your character, purposes or method of operation should be reported immediately to this office for consideration of their effect upon your exempt status. You should also report any change in your name or address. Your liability for filing the annual information return, Form 990A, is set forth above. That return, if required, must be filed after the close of your annual accounting period indicated above.

Contributions made to you are deductible by donors as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to or for your use are deductible for Federal estate and gift tax purposes under the provisions of section 2055, 2106 and 2522 of the Code.

You are not liable for the taxes imposed under the Federal Insurance Contributions Act (social security taxes) unless you file a waiver of exemption certificate as provided in such Act. You are not liable for the tax imposed under the Federal Unemployment Tax Act. Inquiries about the waiver of exemption certificate for social security taxes should be addressed to this office.

This is a determination letter, and is predicated upon the amendment of your articles of incorporation, as proposed.

Very truly yours,

P. L. Charles

#### **Independent Accountant's Report on Applying Agreed-Upon Procedures**

Worthington Historical Society Franklin County 50 West New England Avenue Worthington, Ohio 43085

To the Board of Directors and Management of the Worthington Historical Society:

We have performed the procedures enumerated below, with which were agreed to by the Board of Directors and the Management of the Worthington Historical Society, solely to assist the Board of Directors and Management in evaluating receipts, disbursements and balances recorded in the cash-basis accounting records of the Worthington Historical Society for the fiscal year ended June 30, 2018. Management is responsible for recording transactions and maintaining support for its receipts, disbursements, and balances. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

#### **Cash and Investments**

- 1. We tested the mathematical accuracy of the June 30, 2018 bank reconciliation and agreed to support.
  - a) Two exceptions were noted. Interest earned in the amount of \$153 on the Certificate of Deposit from First Financial Bank was recorded in the prior fiscal year 2017 instead of the current fiscal year 2018. Interest received on the Certificate of Deposit from First Financial Bank was recorded in the current fiscal year, however it was received in the following fiscal year 2019, this resulted in the balance at the fiscal year-end 2018 to be overstated by \$34.
- 2. We selected five outstanding checks haphazardly from the June 30, 2018 bank reconciliation. We traced each outstanding check to the subsequent July bank statement. We found no exceptions.
- 3. We reviewed subsequent investment statements, including the June 30, 2018 statement, to determine if any unusual transactions have occurred in the investment account. We found no exceptions.

#### **Payroll Cash Disbursements**

- 1. For the three part-time employees, we verified the monthly pay rates were approved by the Board of Directors. We noted no exceptions.
- 2. We examined the personnel files to ensure the W-4 and I-9 forms were maintained as required by the Society. We noted no exceptions.
- 3. We reviewed the excel workbook used to calculate monthly payroll to determine if it is using correct pay rates and withholdings appear reasonable. We noted no exceptions.

Worthington Historical Society Franklin County Independent Accountants' Report on Applying Agreed-Upon Procedures Page 2

4. We examined Federal, FICA (Medicare and Social Security), Ohio and City of Worthington tax withholdings per the excel workbook for the three part-time employees to determine if the amounts were properly withheld and remitted timely to the respective taxing authority. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Payroll Report "Claimed"	Amount Paid Per General Ledger
Federal income	August 1, 2018	June 24, 2018	\$1,491.81	\$1,491.81
taxes, Medicare and				
Social Security				
Ohio income taxes	August 1, 2018	June 24, 2018	\$110.37	\$110.37
City of Worthington	August 1, 2018	June 24, 2018	\$207.47	\$207.47
income tax				

# **Non-Payroll Cash Disbursements**

- 1. We haphazardly selected ten disbursements from the itemized categories report for the fiscal year ended June 30, 2018 and determined whether:
  - a. The disbursements were for a Society purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned canceled check and/or disbursement authorization form agreed to the check number, date, payee name and amount recorded in the itemized categories report. We found no exceptions.
  - c. The vendor invoice had a fully-completed disbursement authorization form attached to the vendor invoice and filed in the appropriate monthly folder. We found no exceptions.

# **Receipt Transactions**

- 1. We haphazardly selected ten receipt transactions from the itemized categories report for the fiscal year ended June 30, 2018 and determined whether:
  - a. The receipt amounts recorded in the cash journal within Quicken agreed to the receipt support. We found no exceptions.
  - b. The receipts were posted to the appropriate account. We found no exceptions.
  - c. The receipt slips were fully completed and filed in the appropriate monthly folder. We found no exceptions.

# 5.A.I. - Proposed 2019 Budget - Presentations from Community Groups

Worthington Historical Society Franklin County Independent Accountants' Report on Applying Agreed-Upon Procedures Page 3

We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion on the receipts, disbursements, and balances. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Board of Directors and management of the Worthington Historical Society, and is not intended to be, and should not be used by anyone other than these specified parties.

## Parks & Recreation: Management Discussion

- Elimination of the Revolving Fund.
  - Originally established with ordinance 05-76 to account for "receipt of all fees and the payment of all expenses in connection with self-supporting leisure time programs furnished to the Department of Parks and Recreation on a contractual basis"
  - Elimination streamlines payroll processing and the daily deposit for both the Griswold and the Community Center.
  - Corrects concerns about the operating transfer that were brought forth by the City's external auditors.
  - All expenses previously allocated to the revolving fund (224) have been moved to the General Fund, there has been no reduction in budgeted expenditures for Parks and Recreation programming.
