Special Presentation(s)

4. Discussion Regarding Electric Aggregation Renewable Energy Considerations

Executive Summary: Rich Surace with Energy Alliances, Worthington's electric aggregation consultant, will discuss considerations for renewable energy as part of the City's electric aggregation program. The City is approximately one year from decision-making related to the selection of an energy supplier for the next two year cycle. The renewable energy market is evolving and options for renewable energy as part of the electric aggregation program have expanded beyond the City's current approach. This necessitates beginning the process of discussing and understanding exploring the City's options.

5. Update on Central Ohio Passenger Rail Efforts

Executive Summary: Ms. Thea Walsh with the Mid Ohio Regional Planning Commission will report on efforts to bring passenger rail service to Central Ohio.

6. Worthington Area Chamber of Commerce Update

Executive Summary: Matt Lofy, Executive Director of the Worthington Area Chamber of Commerce will provide an update on Chamber activities.
